**PERMIT FEE: \$15.00**

\* Attach a drawing showing the location of backflow preventer and water connection.

Permit fees for work outside the City limits are increased by one and one-half times the listed fees.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by owner to make this application as his authorized agent and that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this installation will be complied with whether herein specified or not. The owner and/or applicant whom a permit is issued to shall be responsible and certifies that all installation will be in

accordance with the Plumbing Code of the City of Holdrege, Nebraska, and all other applicable codes and laws. When properly signed this becomes your permit. The granting of a permit of plans does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or performance of construction.
