

# Holdrege Electric Rates Effective November 1, 2024

## A. Residential

**Availability:** This schedule is available to customers through a single meter as a single phase secondary voltage for one-family residences or their equivalent for all residential uses of electric service. Service may be supplied under this rate to multi-family dwellings, apartment houses and mobile homes. This rate shall not apply to any commercial establishments.

**Character of Service:** AC, 60 Hertz, single phase, supplied at any of the City's standard voltages.

	<u>Summer</u>	<u>Winter</u>
Customer Charge, per month	\$17.00	\$17.00
Franchise Fee	5%	5%
Energy Charge		
First 800 kWh	\$0.0960	\$0.0960
Excess	\$0.0960	\$0.0880

**Minimum Bill:** The Minimum Bill shall be the Customer Charge and Franchise Fee.

## B. Commercial

**Availability:** This schedule is available to customers through a single meter at a secondary voltage, either single phase or three phase, for all commercial lighting and power purposes and for multi-family use. This rate is not available except where all consumption is measured through a single meter and necessary wiring arrangements, as required by the City, are made by the user.

**Character of Service:** AC, 60 Hertz, single phase or three phase, supplied at any of the City's standard voltages.

	<u>Summer</u>	<u>Winter</u>
Customer Charge, per month		
Single Phase	\$23.00	\$23.00
Three Phase	\$50.00	\$50.00
Franchise Fee	5%	5%
Energy Charge		
First 500 kWh	\$0.1040	\$0.1040
Excess	\$0.1040	\$0.0970

**Minimum Bill:** The Minimum Bill shall be the Customer Charge and Franchise Fee.

C. **Commercial Demand**

**Availability:** This rate applies to commercial customers whose monthly usage exceeds 25,000 kWh for any four (4) consecutive months or whose demand exceeds 150 kW for two (2) consecutive months during the summer period.

**Character of Service:** AC, 60 Hertz, single or three phase, supplied at any of the City's standard voltages.

	<u>Summer</u>	<u>Winter</u>
Customer Charge, per month	\$75.00	\$75.00
Franchise Fee	5%	5%
Demand Charge	\$19.50	\$16.50
Energy Charge		
First 20,000 kWh	\$0.0520	\$0.0520
Excess	\$0.0380	\$0.0340

**Minimum Bill:** The Minimum Bill shall be the Customer Charge and Franchise Fee.

D. **Industrial**

**Availability:** Through a single meter for industrial power service. The rate applies to customers whose monthly usage exceeds 2,000,000 kWh for any six (6) consecutive months or whose demand exceeds 5,000 kW for any three (3) consecutive months. Not applicable to resale, stand-by or auxiliary service.

**Character of Service:** AC, 60 Hertz, three phase, at any of the City's standard voltages.

	<u>Summer</u>	<u>Winter</u>
Customer Charge, per month	\$250.00	\$250.00
Demand Charge	NPPD Pass-Through	NPPD Pass-Through
Ancillary Charge	NPPD Pass-Through	NPPD Pass-Through
Substation Charge	NPPD Pass-Through	NPPD Pass-Through
Energy Charge		
On Peak	NPPD Pass-Through	NPPD Pass-Through
Off Peak	NPPD Pass-Through	NPPD Pass-Through
Franchise Fee	10%	10%
Utility Surcharge Fee	9.25%	9.25%

**Utility Surcharge Fee:** The Utility Surcharge will be assessed on the total bill excluding the franchise fee and sales taxes.

**Minimum Bill:** The Minimum Bill shall be the Customer Charge and Surcharge Fee.

**E. Irrigation – Partial Control**

**Availability:** Available to irrigation customers that have signed a Load Control Agreement with the City that allows the City to install load control equipment on selected compressor(s) and motor loads at their facility. Irrigation system will only be subject to interruptions during the hours of 10 AM and 10 PM (Monday-Saturday) when the City is in load control as directed by NPPD.

**Character of Service:** AC, 60 Hertz, single or three phase, supplied at any of the City's standard voltages.

Horsepower Charge, per connected HP	\$23.50
Franchise Fee	5%
Energy Charge	
All kWh	\$0.0720

**Minimum Bill:** The Minimum Bill for the year shall be the Horsepower Charge plus the Franchise Fee.

**F. Irrigation – No Control**

**Availability:** Irrigation system will have power available 100% with exception of power outages.

**Character of Service:** AC, 60 Hertz, single or three phase, supplied at any of the City's standard voltages.

**Rates:**

<b>EFFECTIVE DATE:</b>	<b><u>November 1, 2024</u></b>
Horsepower Charge, per connected HP	\$85.00
Franchise Fee	5%
Energy Charge, all kWh	\$0.0750

**Minimum Bill:** The Minimum Bill for the year shall be the Horsepower Charge plus the Franchise Fee.

**G. Security Lighting**

<u>Watt</u>	<u>Type of Light</u>	<u>Per Lamp, Per Month</u>
100	High Sodium Pressure	\$3.47
250	High Sodium Pressure	\$8.50
400	High Sodium Pressure	\$12.99
175	Mercy Vapor	\$4.93
43	LED	\$6.00
50	LED	\$5.43
129	LED	\$16.00

## H. **Street Lighting**

Customer Charge, per month	\$14.50
Franchise Fee	5%
Energy Charge All kWh	\$0.0930

## I. **Net Metering**

The Net Excess Generation (NEG) Renewable Reimbursement Rate is a flat rate at which the City will reimburse an electric customer for Solar Power Excess Electrical Generation. Current NEG Flat Rate: Summer: \$0.03256 per kWh; Winter: \$0.03016 per kWh

## J. **General Information**

### 1. **Seasons:**

- a. **All Customers except Irrigation and Industrial:** Summer rates shall apply to all billings for usage during the months of June through October. Winter rates shall apply to all billings for usage during the months of November through May.
- b. **Industrial:** Summer rates shall apply to all billings for usage during the months of June through September. Winter rates shall apply to all billings for usage during the months of October through May.
- c. **Irrigation:** Rates are annual rates.

2. **Franchise Fee:** A franchise fee, as noted in the various rate schedules based on the percentage of the total electric bill before taxes, will be charged to all customers. The franchise fee is noted in each rate schedule and is subject to change by City Council action.

3. **Late Payment Fee** If payment is not received within seventeen (17) days of a bill being rendered, a fee of six percent (6%) of the amount of the bill will be charged. A bill is considered rendered when it is deposited in the US mail with postage prepaid or when delivered to the last known address of the responsible party.

4. **Disconnection:** Ten (10) days after the customer receives their second billing, the utility service will be subject to disconnection unless the customer has contacted City Hall and made payment arrangements. If a customer is disconnected for non-payment, they may be required to pay all of their accounts in full and an additional or new deposit.

5. **After Hours Call Out:** If City Utility personnel are dispatched to an account after normal business hours and the problem is found to be with the customer's equipment, a Call Out Fee will/may be charged to the customer.
6. **Rental Property Connections, Reconnections and Transfers:** All new accounts will be charged a connection fee. Connections at an account where the meters are installed will be subject to Sales Tax.
  - a. All rental property, where the Landlord/Owner has signed and returned to the City Hall a Landlord Tenant Agreement and the service is being transferred to the Landlord's name, the City will charge a Landlord Connection Fee, except where the service has been disconnected. Utility service will only be put in the name of the person(s) on the Landlord Agreement Form.
  - b. At all Rental Properties where the utility service(s) have been disconnected, the regular connection fee will be charged to the person who is requesting the service to be established.
